We will gather in the Fireside Room for our next film on May 21st. "The First Grader" is another biographical story. In 2003 the new Kenyan Republic announced that every citizen deserves a primary education. A small, independent farmer decides it is his opportunity to learn. After walking miles to the school, he is turned away for not having proper clothing..... You will not want to miss the remainder of the story. Discussion and snack will follow the film.

Nametags

If you need a nametag replaced or made, please let one of the Greeters at the doors know and they will let the church office know to make them.
